

CHRIST'S CHURCH ACADEMY CLUBS DESCRIPTIONS 2016-2017

MIDDLE SCHOOL

Board Games - "Board Games" as in 'Old-school style'. Yes, your parents and grandparents played non-electronic games! They are still called "Board Games" and are a lot of fun! In this club we will learn and play several traditional board games in small-group settings. Games will include Mancala, Jenga, Checkers, Stratego, Mastermind, Sorry, Chinese Checkers, etc. At the end of the term or year we will gather for a Monopoly "Games Around the World" competition. Come increase not only your strategic game-playing skills but work on those ever-important social skills, too! (Max 20 members)

Book Club - Books will be selected from the **Sunshine State Young Reader Award** 6th-8th grade book list and read outside of school hours. Our club group will discuss and have activities associated with each book. The group's interest will drive book choice from the SSYRA list, discussions, and activities.

Composer's Club -The Music Composition Club is a place to begin to learn how to write music.

Cooking Club - Share or swap easy-to-make recipes. Each month a recipe will be emailed to students & each student will be responsible for bringing in an ingredient from that recipe. The students' task will be to bring the recipe to life (extent of actual cooking will involve using a microwave or crock pot). Students will enjoy eating the fruits of their labor during snack attack. (Max 16 members)

Crafts, Cards, & Photo-Scrapbooking Club - Do you enjoy making decorative cards for friends or family? What do you think about making crafts or photo-scrapbook pages to brighten your bedroom, study area, or locker? If you enjoy these creative activities, please join the **Crafts, Cards, & Photo-scrapbooking Club!**

Culture Club - Each month the members will highlight a different cultural ethnicity by posting informational posters around school for the month. Sept. Hispanic Heritage Month, Oct. German American, Italian American, and Polish American Heritage Month, Nov. American Indian Heritage Month, Jan. South Asian American Heritage Month, Feb. Black History Month, March Greek American and Irish American Heritage Month, April Middle-Eastern American Heritage Month, May Asian-Pacific Islander Heritage Month.

Garden Club - Would you like to play in the dirt, grow herbs, learn how to arrange flowers, and "dig" into other plant related activities? Then come be a part of the CCA Garden Club! We will be serving our school by maintaining some of the outside landscape. Growing herbs and learning about their uses, as well as arranging flowers will be a part of our time together.

Global Web Outreach - Missionary Pen Pals.....We communicate via email with missionaries all around the world. It is exciting to hear what God is doing in other countries through missions! We serve a mighty God! Members of this club introduce themselves through email and ask the missionary how God is working there and what needs they have. We rejoice to hear how God is answering prayer with each subsequent email! We also have missionaries come and speak when they are here visiting churches, and put together care packages to send to our pen-pals.

Fellowship of Christian Athletes (FCA) - Learn to use athletics to be a witness to others for Jesus Christ through devotional studies, discussions, and testimonies of athletes.

Science Club - Explore various aspects of science in a fun and informative way. We will conduct dazzling experiments, demonstrate different principles, and hold scientific discussions of current topics and areas of interest (as selected by students and sponsors).

S.O.S. (Students Offering Service) - S.O.S. is a service oriented club in which students go out into the community and perform a variety of service projects.

HIGH SCHOOL

Book Club - The new and improved HS Book Club will be exploring the fascinating and majestic use of the written word. Come join the fun and excitement as we dig deeply into the world of books and the written word!

Composer's Club -The Music Composition Club is a place to begin to learn how to write music.

Culture Club - Each month the members will highlight a different cultural ethnicity by posting informational posters around school for the month. Sept. Hispanic Heritage Month, Oct. German American, Italian American, and Polish American Heritage Month, Nov. American Indian Heritage Month, Jan. South Asian American Heritage Month, Feb. Black History Month, March Greek American and Irish American Heritage Month, April Middle-Eastern American Heritage Month, May Asian-Pacific Islander Heritage Month.

Fellowship of Christian Athletes (FCA) - Learn to use athletics to be a witness to others for Jesus Christ through devotional studies, discussions, and testimonies of athletes.

Garden Club - Would you like to play in the dirt, grow herbs, learn how to arrange flowers, and “dig” into other plant related activities? Then come be a part of the CCA Garden Club! We will be serving our school by maintaining some of the outside landscape. Growing herbs and learning about their uses, as well as arranging flowers will be a part of our time together.

Health and Fitness Club - Health and Fitness Club is open to female high school students who want to find ways to encourage others and be encouraged in their own personal health and fitness goals. Using several ways of measuring fitness, all members will set goals for themselves including healthy exercise, eating and stress management plans while having fun and feeling great. Every month we will choose a fitness challenge to do together and celebrate our achievements!

Key Club (Kiwanis Club) - Key Club is the oldest and largest service program for high school students. It is a student-led organization whose goal is to teach leadership through serving others. Key Club International is a part of the Kiwanis International family of service-leadership programs.

Remote Controlled Submersible Vehicle “Submarine” Club - Attention Tinkerers and students with interest in machines and electronics. We need a small group of students to get our Remote Controlled Submersible Vehicle back in the water. It's equipped with lights, motors, an underwater camera and a closed circuit TV. However, there are no instructions so we are on our own. We can use our club time to coordinate our activities but we'll need to work during study halls or after school as well. If you are into hands on projects, this is for you! (Max 10 members)

Science Club - Explore various aspects of science in a fun and informative way. We will conduct dazzling experiments, demonstrate different principles, and hold scientific discussions of current topics and areas of interest (as selected by students and sponsor).

Service Council Club - This Club helps students get connected to service projects that interest them and in turn helps the community. Goal is to increase total service hours by 10% and increase number of organizations who benefit from CCA students' service. Students in the club will also work closely with PTP on various events throughout the year. Would you like to be a Homecoming Hoedown Hero or a Coin Crusader during Missions Week? If so, then this is the club for you!

S.O.S. (Students Offering Service) - S.O.S. is a service oriented club in which students go out into the community and perform a variety of service projects.

Spanish Club - Bienvenidos! The objective of the Spanish club is to learn conversational Spanish, to learn about the culture of Spanish-speaking countries and to prepare crafts, music and different activities to be used in Costa Rica. The students will learn a basic dialog that will enable them to engage in a simple conversation with a Spanish-speaker. They will learn about the customs and culture of different Spanish-speaking countries with a focus on Costa Rica, prepare crafts, activities and practice the music that will be used for the Costa Rica Mission Trip.

Student Activity Club (Grades 11 & 12 Only) - Plan events and get friends together for activities. The students in this club will be involved in first-hand planning, set-up, and hosting of thrilling events. These events include high school activities such as Homecoming and Prom, and other upper school activities. There will be lots of fun and fellowship! (Club limited to 15 conscientious, hard-working members, please!)

Volleyball - Purpose: To give HS guys the opportunity to play volleyball competitively. Students will learn about and develop volleyball fundamentals including serving, passing, hitting, and setting. (Max 15 members)
