Summer Assignment 2024

Welcome to AP English Literature and Composition! I look forward to working and writing with you very much. Summer assignments are as follows.

A. **READ: *Long Way Gone*** by Charles Martin –978-0718084714

A comprehension test will be given the first week of class. This is not an analytical novel so enjoy the story line and characters and be prepared to discuss the characters and story through Biblical allusions.

B. **READ: *Wuthering Heights*** by Charlotte Bronte 978-0141439556 A

comprehension test and timed essay will be given during the first few weeks of class. Annotations are your friend. Keep track of the Catherines in this novel.

D. **READ: *How to Read Literature Like a Professor*** by Thomas C. Foster **CH 1-10.**

We'll finish the book during the year, but you will begin this summer. Annotated well because we will use the information in these chapters to write reflections and references to poetry, short stories, and novels.
