

Every CCA Athlete is required to complete the NFHSLearn Sportsmanship Course before participating in any sporting event at Christ's Church Academy.

The NFHS developed this free course to give you a better understanding of sportsmanship, how it impacts the educational process and identifies your specific role in modeling it at all interscholastic athletic events. Insight is shared throughout the course from fans, players, parents, teacher-coaches and officials. This course will help provide schools a more positive game environment.

- Please go to: www.nfhslearn.com
