

2023-2024 School Year

# CORPORATE PARTNERSHIPS

## CHRIST'S CHURCH ACADEMY

**BUILDING A GENERATION THAT WILL CHANGE THE WORLD**

## Dear Friends In Education,

At Christ's Church Academy (CCA), we believe in the power of partnership. We are delighted to announce our new corporate partnership program for the 2023-2024 school year! Our patron point system is designed to make it easy for businesses to support CCA's mission and choose which areas they'd like to focus on, while receiving benefits or recognition in return. With this program, we hope to foster meaningful relationships that will bring valuable opportunities to our community.

Corporate partnerships provide the necessary resources for our students to experience a rigorous academic program, participate in co-curricular activities with excellence including band, drama and visual arts, and compete on top athletic teams. We are also able to offer financial aid to deserving students, which helps ensure access to a quality independent school education for all families. Your support will help us support and encourage teachers during the year in partnership with PTP with things like teacher appreciation week. In addition to providing direct support for CCA students, you have the opportunity to support our community outreach initiative called Love Out Loud where students of all grades will participate in acts of kindness for the greater Jacksonville community and in partnership with a variety of organizations. Whether you are interested in supporting CCA with a monetary corporate partnership or in-kind support, I would love the opportunity to connect and explore potential partnership opportunities with you.

On behalf of the teachers, faculty, and leadership team of CCA, thank you in advance for considering a corporate partnership with us for this school year. We are grateful for your partnership in helping advance our mission of making disciples (Matt. 28:19), better disciples (Acts 2:42), and more disciples (Mark 16:15) through excellence in academics, athletics, and the arts. Together, we are making a difference!

## In His Service,

*Brooks Biagini*
