Sculpture I

This course focuses on the Elements of Art and Principles of Design in 2D and 3D works of art. Students will be exposed to a variety of mediums such as: plaster, mosaics, metal tooling, paper mache, etc. Students will learn Art History and “art in the real world” through art related careers.

1 Semester $60 Art Fee
Examples of Student Work:
Beaded Bottles
Inspired by the Huichol Indian Tribe
Optical Illusions
Decorative Planters
Ink Dyed Washers
Paper Mache Tikis
Class Syllabus

Mrs. Daniels
Sculpture

Sculpture Fee: $60.00 payable through FACTS

Supply List:
✓ Two containers of Clorox wipes, gallon sized ziplock bags.

Art Curriculum:
During the semester we will create a variety of 3D sculptures. We will also study sculpture in Art History.

Art Student Expectations:
✓ Students will be graded by effort, completed work, cleaning, and by following directions.
✓ Students are expected to respect the art room, and art supplies.
✓ Students will use all supplies such as X-acto-knives, hot glue gun, etc. in a safe and appropriate manner.
✓ Students will wear a mask.
✓ Students will keep cellphones in designated area unless given permission to use for art related purposes.
✓ Student and a guardian will review, sign, and return the “Safe Handling of Supplies Agreement”.
✓ Students are expected to demonstrate respect towards all CCA staff, substitutes, and each other.
✓ Students are expected to show respect towards other student’s art work. Destruction of art will not be tolerated.
✓ Students are expected to arrive to class on time as outlined in the student handbook.
✓ Students will be held accountable for the class expectations.
