

2024-2025 School Year

CORPORATE PARTNERSHIPS

CHRIST'S CHURCH ACADEMY

BUILDING A GENERATION THAT WILL CHANGE THE WORLD

Dear Friends of Christ's Church Academy,

At Christ's Church Academy, we value partnership. Our 2024-2025 Corporate Partnership Program offers businesses and families the chance to support CCA's mission while receiving recognition and benefits. With our Patron Point System, you can focus your support on areas like academics, athletics, or spiritual development, aligning your contributions with your values. Together, we are building lasting relationships that benefit both our students and our partners.

Corporate partnerships provide essential resources for our students to thrive in a rigorous academic environment, participate in outstanding co-curricular programs like band, drama, and visual arts, and compete on top athletic teams. Your support also helps us offer financial aid to deserving families, ensuring access to a high-quality independent school education.

In partnership with our PTP, your contributions will help us encourage and support our teachers throughout the year, including during Teacher Appreciation Week. Additionally, you will have the opportunity to support our Love Out Loud community outreach initiative, where students engage in acts of kindness across Jacksonville, in partnership with local organizations.

Whether through monetary contributions or in-kind support, I would love the chance to connect and explore potential partnership opportunities with you.

On behalf of the CCA teachers, faculty, and leadership team, thank you for considering a corporate partnership with us. Together, we are building a generation that will change the world!

In His Service,

Brooks Biagini

Associate Head of School for Operations and Advancement
