Frequently Asked Questions:

- 1) **Why is the school not offering a Pay-in-Full payment plan option for the 2024-2025 school year?** Due to almost 98% of our student body utilizing the Step-Up Scholarship program, the Pay-in-full payment plan option is no longer beneficial.
- 2) **Why is CCA requiring Tuition Insurance?** The insurance program allows families to utilize the claim process to remit tuition fees if a student should withdraw during the school year. Insurance will cover most of the unpaid total tuition, and any unused Step-Up Scholarship funds will follow the student should they apply to another Florida school accepting Step-Up.
- 3) **When can I apply for a Step-Up Scholarship for the 2025-2026 school year?** Step-Up has not released opening application dates. To keep up with all Step-up information, go to <https://www.stepupforstudents.org/> and sign up for their notifications regarding application dates and other valuable information.
- 4) **Who do I contact if I have concerns or questions regarding my tuition, invoices, payment plans, or the Step –Up Scholarship program?** For concerns or questions, reach out to the business office: Shannon Gates at SGates@CCAJax.org (or Mary Morrison at MMorrison@CCAJax.org).
