

CHRIST'S CHURCH ACADEMY

Upper School Community Service Program 2025-2026

The upper school Community Service Program (CSP) is designed to encourage students to "be a servant" to others. We want students to follow the example of Jesus Christ, be involved in their community, be aware of others' needs, and exercise leadership skills.

Community Service is defined as unpaid work performed by a person or group of people for the benefit and betterment of their community without any form of compensation.

The CSP form must be turned into the Bible Teacher by the dates specified. The form on the back of this document will be used to record each service project.

High School Students Only: CSP helps high school students meet scholarship and college entrance requirements. Christ's Church Academy requires each high school student to complete 100 hours of community service over four years to graduate. The 100-hour requirement is a minimum, as some colleges and scholarships require more hours. For example, the Florida Academic Scholars Award (FAS), offered through the Bright Futures Scholarship Program, requires a minimum of 100 community service hours for eligibility, while the Florida Medallion Scholars Award (FMS) requires 75 hours. **All seniors are required to meet a cumulative 87 hours by December 1, 2025, to retain CCA senior privileges for semester 2.**

For additional information about CSP, please contact the Upper School Office or visit www.ccajax.org.
