COMMUNITY PARTNERSHIPS

SUPPORT CCA THROUGH BUSINESS, FOUNDATION, OR FAMILY SPONSORSHIPS

2025 2026 SCHOOL YEAR

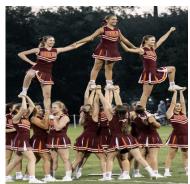

BUILDING A GENERATION THAT WILL CHANGE THE WORLD

Dear Friends and Supporters of Christ's Church Academy,

At Christ's Church Academy (CCA), we believe in the power of partnership—and we are deeply grateful for the generous support of the businesses, families, and foundations who have helped our program thrive over the past two years.

Now entering its third year, the 2025–2026 Community Partnership Program offers enhanced opportunities for mission-aligned businesses and other community partners to support CCA through a patron point system. This flexible model allows each sponsor to receive recognition in the areas that matter most to them—such as academics, the arts, athletics, teacher appreciation, or community outreach—while making a collective impact across our school.

While our primary audience is business and corporate partners, we're pleased to also make these opportunities available to families or foundations who may prefer to give personally and receive name recognition in lieu of a company name.

Your partnership helps make possible a rigorous academic experience, outstanding fine arts programs, and competitive athletics, while also funding financial aid, teacher appreciation initiatives, and Love Out Loud, our student-led service outreach across greater Jacksonville.

On behalf of our faculty, staff, and leadership team, thank you for considering a partnership with CCA this year. Your investment supports our mission of making disciples (Matt. 28:19), better disciples (Acts 2:42), and more disciples (Mark 16:15) through excellence in academics, athletics, and the arts.

Together, we are building something lasting—for God's glory and for our community's good.

In His Service,

Brooks Biagini

Associate Head of School for Operations and Advancement
