

CCA Families-

Beginning a new year of Extended Day Programing can be a great chance for our students to build new friendships and enjoy enriching activities. My team and I are excited to welcome students on Monday, August 11th.

Please take a moment to review our detailed explanation of our payment procedures for the 2025-2026 school year.

Our school calendar consists of 177 days for the 2025-2026 school year. Each month varies from another in the number of school days students attend. Due to the variance, we have broken the extended day fees into ten equal payments for your convenience. Fees do not include any school breaks or holidays.

Please note:

- Delayed Start Early Care is complimentary for all CCA students.
- We will have Extended-Day services on some of the Exam Early Release Days this school year; exact times and dates will be communicated.
- All participants must register and pay the \$75 non-refundable registration fee.
- Full-Time Extended Day Students (students who attend in the morning and afternoon) will receive a \$10 discount on all Enrichment Programs.
