

CHRIST'S CHURCH ACADEMY

CCA Technology Requirements

Lower School: Elementary (K-5) Requirements

iPad Requirements

- **iPadOS 17 or Above Compatible Device**
 - Minimum 64GB storage capacity and Wi-Fi
- **Compatible Devices**
 - iPad Air (2021 or newer)
 - iPad mini (2021 or newer)
 - iPad (2021 or newer)
 - iPad Pro 11" (2020 or newer)
 - iPad Pro 12.9" (2020 or newer)

Recommendations

- **iPad Models** with 64GB storage capacity minimum and Wi-Fi
- **Wired headphones** compatible with the iPad port(s)
- **iPad Case**
 - The HDE brand case is available on Amazon and Walmart.com and has a nice handle. Note: This case does not protect the screen from scratches unless a screen protector is purchased separately.
 - For ultimate protection, consider the **OtterBox Defender Series** or similar hard cases that include screen protection.

Upper school: Middle School (6-8) and High School (9-12) Requirements

Device Requirements

- **Windows Laptop or Tablet**
 - Operating System: Windows 11
- **Apple Laptop**
 - Manufactured in 2021 or newer
 - Running macOS 15 (Sequoia) or later

- **iPad**
 - 64GB storage capacity or more
 - Manufactured in 2021 or later
 - Running iPadOS 17 or above
 - Keyboard recommended started in Middle School
- **Microsoft Office365**
 - Web-based apps (Word, Excel, Outlook, etc.) provided by CCA
 - Compatible with the above devices

Recommendations

- For **Middle School students**, we strongly recommend purchasing/using an Apple iPad, as it is the device most commonly used by teachers in the classroom.
- An updated **antivirus and spyware software** is recommended, the native Windows Defender is acceptable for Windows computers.
- A **built-in camera and microphone** are required.
- **Wired headphones** are recommended but not necessary.
- **HDMI video adapters** are recommended but not necessary.
- A secure **tablet or laptop carrying case** is recommended.

Note: Cell phones are not considered acceptable devices and may not be used in the classroom for academic purposes.
