Four Year Old Program 9:00-1:00pm

Our four-year-old program is a comprehensive, whole-child preschool experience designed to prepare children for a successful transition into kindergarten. Throughout the school year, children participate in a well-rounded program that includes engaging classroom instruction, Chapel, Music, P.E., Library, outdoor play, hands-on learning, and other fun and enriching activities that support their academic, social, emotional, physical, and spiritual development.

We proudly accept the Florida VPK voucher; however, our program goes beyond the hours and services that the VPK voucher covers. Because we provide additional wrap-around hours and an expanded preschool experience, applicable tuition and fees are charged for those hours and services. Our goal is to provide a complete four-year-old program that encompasses the whole child, prepares children for the expectations of kindergarten, and gives families the resources, support, and guidance they need as their children take this important next step.

Wrap-Around Fees and Tuition for Fours:
