EAGLES TRAINING CENTER NAMING & LEGACY OPPORTUNITIES

› LEAVE A LEGACY. BUILD THE FUTURE.

The Eagles Training Center represents an investment in generations of students who will train, learn, compete, grow and be disciplined through Christ's Church Academy.

As part of the Christ's Church Ministries campus, the Training Center will also create new opportunities to support Student Ministries and other ministry programming, extending its impact beyond the school day.

YOUR GENEROSITY CAN HELP BRING IT HOME.

Beyond athletics, the facility will serve students across grade levels through daily PE, enrichment and other school-day programming, creating a space designed to impact the broader CCA student body.

Through a naming gift, families, individuals, businesses and ministry partners have an opportunity to make a significant investment in this vision while creating a lasting legacy for students, families and the broader Christ's Church Ministries community.

A naming gift represents more than recognition on a building, field or space. It is an investment in students, the next generation and a place where coaching, mentoring, community and spiritual formation will happen every day.

Ultimately, it is an investment in the mission of Christ's Church Ministries:

TO MAKE DISCIPLES, BETTER DISCIPLES AND MORE DISCIPLES.

LET'S BUILD SOMETHING THAT LASTS.

We would be honored to talk with you about how you, your family, your business or your organization can become part of the Eagles Training Center.
